Mere minutes from the excitement of Atlantic City, yet quietly tucked away on 670 scenic acres along Reed’s Bay, 296 well-appointed guest rooms, 16 spacious suites and 34,500 square feet of award-winning meeting space provide a pristine, retreat-like setting for both business and leisure travelers. Fine and casual dining experiences prepared with the utmost care ensure there’s something for every taste. With two challenging 18-hole golf courses, the world-class Elizabeth Arden Red Door Spa, indoor and outdoor pools, a fitness center with three tennis courts, and the Noyes satellite art gallery, there is no shortage of engaging activities at Stockton Seaview. And of course it’s convenient to the casinos and entertainment of Atlantic City while being only 45 minutes from Philadelphia. Historic charm abounds at Seaview. A century of history and tradition merges with contemporary conveniences.
