TXSER Conference Membership Promotion – The first 20 people who join TXSER will receive 50% off of the online cost of SER’s peer reviewed journal, *Restoration Ecology* (RE). The journal is at the forefront of a vital new direction in science, ecology and policy, fostering the exchange of ideas among the many disciplines involved in the process of restoration ecology. *RE* is maintained by a 46-member review board with eminent scholars from 11 different countries. The online version runs $85/year. The first 20 new TXSER members will receive an offer for year subscription of *RE* for $42.50.
