We invite all interested parties to submit an abstract for an oral or poster presentation at the Twelfth Annual Meeting of the Midwest-Great Lakes Chapter of the Society for Ecological Restoration (SER). The Midwest-Great Lakes Chapter is a regional SER chapter serving Ohio, Indiana, Michigan, Illinois, Wisconsin, Minnesota, and Iowa. Our mission is to promote the science and practice of ecological restoration to assist with the recovery and management of degraded ecosystems throughout the Midwestern and Great Lakes region of the United States. Our goal for the meeting is to bring together all who are interested in ecological restoration and contribute to advancing the field of ecological restoration. Our meeting agenda will be similar to our past meetings and will include technical presentations, symposia, workshops, social events, and field trips. For more information on our past meetings see the following webpage: <https://chapter.ser.org/midwestgreatlakes/annual-meetings/past-annual-meetings/>

Oral presentations will be scheduled in 20 minute segments within concurrent sessions that tentatively will be scheduled for Friday and/or Saturday. The poster session is tentatively scheduled for Friday afternoon. **The deadline for submission of abstracts is December 20, 2019.** Abstracts will be reviewed on a rolling basis and authors will be notified of acceptance status as soon as possible.
