SER-Rocky Mountain Chapter Member Newsletter

SER-RM Board Election Results!

The SER-Rocky Mountains Chapter would like to congratulate our **new Board of Director and Committee Chair members**. We did not need to have an election because we had a individual volunteer for each position.

The BOD and Committee Chairs are:

- * President: Jesse Dillon, Transitioning from Vice President
- * Vice President: Brock Bowles, New to Board
- * Past President: Mark Paschke, Transitioning from President
- * Treasurer: Garrett Stephens, Remaining in position
- * Secretary: Carla DeMasters, Remaining in position
- * Outreach Committee Chair: Michael Curran, Remaining in position
- * Membership Committee Chair: Marena Disbro, New to Board
- * Scientific Meeting Committee Chair: Jeremy Sueltenfuss, New to Board
- * Communications Committee Chair: Megan Bowes, New to Board

For more information about members, please visit

HAR – SER-RM 2021 Conference

SAVE THE DATE!

Mark your calendars for the week of April 12, 2021

The High Altitude Revegetation Committee and SER-RM are now planning for the **April, 2021 conference**.

Members are encouraged to join in the organizing effort by volunteering to serve on one of the organizing committees, which include: Program, Advertising & Media Relations, Vendors and Sponsorship, Logistics, and Workshop/tour. **Please contact Jeremy Sueltenfuss**, Jeremy.Sueltenfuss@colostate.edu if you are interested in assisting.

Check out the [Conference website](#) for more information as it becomes available, to sign-up for conference updates by email, or to view a recap of the 2019 Conference.

RESCHEDULED: SER's North American Continental Conference

Québec RE3 Conference: Reclaim Restore Rewild

June 19th - 24th, 2021

Quebec, Canada

[Québec RE3 website.](#)

Note: The **2020 Conference has been POSTPONED to 2021** and will Resume in Quebec (not South Korea as originally scheduled)

Since 2005, the SER World Conference has been the premier venue for those interested in connecting with the international restoration community. Our World Conferences are an exciting biennial gathering of experts in the scientific, technical, and socio-economic dimensions of restoring damaged and degraded ecosystems in all biomes and on all continents. Conference attendees are passionate about discussing and debating big picture issues and broad trends, as well as specific tools, techniques, research, and policies for restoration.

SER is proud to host our next World Conference in Quebec City, Quebec, June 19 - 24, 2021. SER2021 will be the Society's 9th World Conference since 2005 and 25th meeting since our founding in 1988.

Jointly hosted by the Canadian Land Reclamation Association (CLRA) and the Society for Ecological Restoration (SER), the theme of the conference is "From Reclaiming to Restoring and Rewilding".
