Topic Lunches: Looking to connect at the conference?

NEW At this year's conference, we are connecting people on topics that matter. You have the opportunity to be a host for small group discussions over lunch.

Potential topics:

- International connections with arid land restoration
- Starting a student chapter
- Techniques for eradicating XX invasive species
- Funding innovations
- Early Detection and Rapid Response
- Spring restoration
- Climate adaptation planning

- Cross-Watershed connections
- Monitoring techniques and funding sources

Want to be a host? Write us with your idea. Host will be responsible for facilitating the discussion and choosing a lunch location (the group will meet in a nearby lunch spot). SER-SW will provide sign-up sheets and encourage participation. Lunch is not provided.
