Terms:

VP – vacancy

Utah rep – vacancy; Don suggested Larissa Yocom, Utah State

Treasurer – Vicky happy to continue

- But is also sensitive to her limitations as a fully engaged *Restoration Professional* member. She can only contribute as administrative support/accountant/tax return preparer and does not have any connections/associations in the restoration field. If there is an opportunity to bring on a restoration professional, she is happy to step aside and be an **active** non-board **volunteer**, continue the pro bono accounting work, and deliver financial data/reports to the Treasurer.

Everyone else happy to continue

Will schedule next meeting near/after Conference
